OBITUARY, TYLER

On November 12, 1946, our hearts were made sad over the death of our beloved wife and mother, Mrs. J. C. Tyler. Truly we marvel at the mysterious work of God. For in our human form and weakness it is not given us to understand, when we see the death angel visit our home and with one swift stroke sever the cord and remove from our midst a dearly beloved member of our family, a mother who is so badly needed by all. But in such hours we are made to realize that in our weakness we can only be submissive to God's will. He has a purpose for calling her. Although we can't understand, we know he never makes a mistake. What he has done and not ours. Some time we'll understand it all.

A precious one from us has gone, a voice we loved is still, a place is vacant in our home which never can be filled. Oh dear wife and mother, how we miss your smiling face, but we hope that we'll soon meet you in that land of love and peace where she was laid. She p on dear wife, and undisturbed by rest; for our Father in Heaven knows the best.

She was 69 years of age, and a member of the Missionary Baptist Church for 31 years; a faithful member and attended services when she could.

She leaves to mourn her death her husband, Mr. J. C. Tyler, Sr.; three sons: J. B. Tyler of Enterprise; Martin Tyler, of Jack, Chester Tyler of Kinston; one daughter, Mrs. Elda Crawley, of Elba; Route 1; eight grandchildren one great-grandson, and a number of friends and relatives.

Her body was gently laid to rest beneath a beautiful mass of flowers in Shady Grove cemetery near Brundidge. Flowers girls were: Mary Crawley, Glenda and Juanita Tyler. Pallbearers were: Hiram Rugg, Ideal Rugg, Young Smith, Paul Rugg, J. C. Farris and Tom Sanders. Hayes Funeral Home had charge.

J. C. Tyler, Sr., and Family.

Mrs. L. A. Boyd, Mrs. R. S. Boyd, of Enterprise, and Mrs. V. P. Taylor, Jr., of Ozark, were in Elba last Wednesday to attend the shower honoring Miss Maggie Dean Clark.

IF YOU NEED GLASSES

It Will Pay You to Wait For BARSON!

After all, it's the examination that counts. Correct, scientific examination of your eyes is the ONLY way to determine whether or not you need glasses. My knowledge in fitting glasses, gained through years of practice, has given me a State-wide reputation. Among your relatives and acquaintances you will find somebody who will tell you how satisfactory my work is. Because I specialize in this work only—scientific examination and proper fitting of glasses—you are assured of complete satisfaction.

GETS LETTER FROM A FORMER GERMAN PRISONER AT CAMP RUCKER

Mr. A. F. Bullard recently received a letter from Hans Meyer, of Liengen, Germany. The young man was a prisoner at Camp Rucker, and worked under Mr. Bullard, who stated that he was a good boy and fairly well educated. Anyway, he remembers Mr. Bullard with a letter in which he says:

You will be very surprised to get a letter from me. I kept you waiting for a long time but I did not forget you. Here in Germany is everything in a very bad condition. I always think back on the good time at the sewage station. All my friends over here couldn't believe that I had had such a good treatment. You remember Mr. Bullard hunting, fishing and go around the Liftations. Several times we have been together at the motor pool to buy a jeep. Did you get one now? I hope you got a good chance. Mr. Smith wrote me that the work at the plant is over. What are you doing? I hope that you got a good job again. I should be glad to be back over there and go squirrel hunting with you. It is the right time and they are very good to see now on the trees. But no chance to come back over there in the first time. May be in one or two years and I should be glad to remain with many greetings for you and your family. See you again.

Sincerely, Hans.

METHODISTS TO HAVE "WHITE CHRISTMAS" PROGRAM SUNDAY NIGHT

Elba Methodists will have their annual "White Christmas" program next Sunday night at 7:00 o'clock, when young people of the church, under direction of Mrs. L. S. Rainer, Mrs. P. H. Sellers and Mrs. W. M. Ringsdorf will present the play.

At this service members of the church and friends will make their offering for the Children's Home at Selma. The home is faced with the perplexing problem of caring for approximately 130 children at the prevailing high prices for food and clothing. Larger offerings are expected this year in order that the children may be properly looked after.

While we have not been given any official announcement about the program it is understood that Elba Baptists will have their program and offering for the Home at Troy, on Sunday evening at six o'clock.

Mrs. G. M. Prescott and Mr. and Mrs. Philip McKinnon were among the visitors to Montgomery Tuesday.

4-H BOY INCREASES CORN YIELD BY USING PROPER FERTILIZER

Douglas Green, 4-H Club boy at Zion Chapel, who carried a corn fertilizer demonstration as a part of his 4-H program for 1946, has found that more fertilizer means more corn—more feed for his two beef calves.

Douglas fertilized one acre of his corn with 600 lbs. of 4-10-7, and 400 lbs. of Nitrate of Soda side-dressing. On another acre he used 400 lbs. of 4-10-7, and 100 lbs. of Soda. Both acres were planted May 1st with Whatley's Prolific variety in 4-foot rows, 18 inches in the drill. The pounds of fertilizer on the first acre were doubled but the yield was almost tripled—yield on first acre, 56 bushels; on the second acre, 20 bushels.

This demonstration gives a fair answer to the solution of present-day farming problems—MORE YIELD—LESS ACRES. Fertilizer was furnished by Taylor Warehouse Co., Elba, sponsor of the demonstration.
